

Kerin De Francis

DIRECTOR OF SALES

DOCJOHNSON®

Kerin joined the Doc Johnson team in 2004 as a part of the sales team, and was deservedly named Sales Manager in 2013. Since that time Kerin has found that her favorite part of her job is getting to interact with so many different types of amazing people. Kerin loves experiencing customers' cultures and is always fascinated to see what type of product sells where.

Kerin had previously worked for ten years at New Beginnings Distribution and with her ten years at Doc Johnson, she has logged 20 years of hands-on sales experience. In her time here Kerin has been responsible for instituting numerous strategic programs, including the development of a system to manage leads, as well as procedures for providing optimal customer service to each and every client.

Kerin's favorite part of her team is their chemistry. Her entire sales team has love and respect for each other, and are there to support each other every step of the way. Kerin guides her team toward their common goals and is a huge inspiration to our entire organization.
