

## BUZZ Liquid Vibrator

Buzz is a stimulating clitoral gel that tingles on contact, for deliciously heightened pleasure and enhanced arousal.

### KEY FEATURES

- Formulated with natural ingredients
- Creates a pleasurable buzzing sensation once applied
- Stimulating gel formula that provides easy application, staying exactly where you want it, unlike a messy oil
- Each tube provides about 70 applications
- Formulated, manufactured, bottled and labeled at an ISO certified lab and FDA registered facility
- Maintains a three year shelf life
- Free from Sugar, Parabens and Glycerin
- Proudly Made in America

### CARE AND MAINTENANCE

Store all BUZZ products upright, in a cool dry place.

### DIRECTIONS

To experience a pleasant liquid vibration, apply 1-3 drops of BUZZ gel directly onto the clitoris. Sensations build up to full pleasure within minutes. Reapply as desired. For topical use only.
