ENDURE - PREMIUM SILICONE C-RING SET: Includes three increasing sizes (29 mm, 32 mm, 35 mm) of heavy-duty, extra-thick silicone cock rings. Each ring is strong and pliable, stretches to fit, and offers a variety of pleasurable options -- wear one around the shaft to help maintain firmness, loop around the shaft and testicles for some extra hold, or use the smallest as a ball stretcher. Phthalate-free and body-safe.

COCK JOCK - SILICONE C-RING: This firm yet flexible silicone cock ring stretches to fit over the shaft and testicles for a snugly secure hold, with a uniquely functional sling design. The curved underside is gently ribbed to stimulate the perineum, and a small ridge at the base of the ring acts as a splitter to separate the testicles. Phthalate-free and body-safe.

COCK JOCK VIBRATING - SILICONE C-RING: This firm yet flexible vibrating silicone cock ring stretches to fit over the shaft and testicles for a secure hold, and features a 10-function removable bullet for extra pleasurable stimulation. The curved underside is gently ribbed to stimulate the perineum, and a small ridge at the base of the ring acts as a splitter to separate the testicles. Phthalate-free and body-safe.

CAGED - SILICONE COCK CAGE - VIBRATING: This silicone cock cage stretches to fit around the shaft, while the attached ball stretcher wraps around the testicles. A removable bullet is perfectly placed for clitoral contact, delivering pleasurable stimulation to both the wearer and the receiver. Phthalate-free and body-safe.

CAGED 2 - SILICONE COCK CAGE & PLUG - VIBRATING: This silicone cock cage stretches to fit over the shaft, while the attached ball stretcher fits snugly around the testicles and a vibrating anal plug stimulates the prostate. The cock cage also features two removable bullets—one that sits atop the cage for clitoral stimulation, and another that slips into the attached plug. Phthalate-free and body-safe.

COCK JOCK SPLITTER - SILICONE C-RING: This firm yet flexible silicone cock ring stretches to fit snugly around the base of the penis while separating and gently tugging on the testicles, helping men to maintain a firmer erection while effectively supporting the entire package. Phthalate-free and body-safe.

COCK & BALL SUB PRESENTER: This leather cock ring snaps to fit snugly around the shaft while separating and gently tugging on the testicles, helping men maintain a firmer erection while effectively supporting the entire package. The adjustable strap ensures a comfortable fit. Made with genuine soft red and black leather. Phthalate-free and body-safe.

COCK & BALL MASTER RING: The metal ring fits snugly around the shaft, while the red leather strap separates the testicles. Made with genuine soft red and black leather. Phthalate-free and body-safe.
