Doc Johnson's® Main Squeeze strokers incorporate a hard-case construction that puts the power in the user's hands, with a squeeze plate designed to vary the tightness of each stroke, and a suction-adjusting end cap that twists to multiple levels of intensity. Each Main Squeeze™ stroker features an ULTRASKYN™ sleeve with a uniquely textured interior, for ultra-pleasurable stimulation. Main Squeeze's sleek, durable case and screw-on top keep it clean, discreet, and convenient for travel; and Main Squeeze™ strokers also fully disassemble for easy cleanup. All items from Main Squeeze™ include detailed instructions on usage and care.

In addition to Main Squeeze's selection of hard-case strokers, The Main Squeeze™ line also offers a range of curated accessories designed to enhance the Main Squeeze™ experience.
