Doc Johnson's® Main Squeeze™ strokers incorporate a hard-case construction that puts the power in users' hands, with a squeeze plate designed to vary the tightness of each stroke, and a suction-adjusting end cap that users can twist to their preferred level of intensity. Each Main Squeeze™ stroker features an ULTRASKYN™ sleeve with a uniquely textured internal tunnel, for ultra-pleasurable stimulation. Main Squeeze's™ sleek, durable case and screw-on top keep it clean, discreet, and convenient for travel; and Main Squeeze™ strokers also fully disassemble for easy cleanup.

Main Squeeze™ sleeves come in a variety of styles to suit a variety of preferences. All Main Squeeze™ items include detailed instructions on usage and care.

Endurance Trainer - 5202-05-BX NEW

Suitable for stamina training methods like edging, the Main Squeeze™ Endurance Trainer features a lifelike opening and soft ULTRASKYN™ interior, challenging users to naturally delay ejaculation and prolong erections for longer-lasting and more satisfying sexual experiences.

Care and Maintenance

Gently pull from the top to remove the ULTRASKYN™ insert from inside the case. Remove squeeze plate section from magnetic dock (or from inside the case if it falls in during disassembly.) Clean each section with Main Squeeze™ Toy Cleaner or mild soap and warm water. Allow all parts to air dry completely and dust the ULTRASKYN™ tunnel with Main Squeeze™ Refresh Powder.
