

# FORIA™ INTIMACY

## Organic CBD Massage Oils

Treat yourself & your partner to a restorative massage with Foria's organic-certified CBD massage oil. This fast-acting formula delivers anti-inflammatory CBD to muscles, nerves & capillaries, helping to enhance tissue oxygenation & release muscle tension. The balanced oil provides silky glide while protecting skin with natural anti-microbial properties, while the decadent aromas of real essential oils evoke a delicious, sensual mood. Available in Lavender, Ylang Ylang and Lemongrass.

## Active Botanicals to Relax & Invigorate

- Silky glide & 3 natural aromas to choose from
- Delivers soothing CBD to muscles, nerves & capillaries
- Enhances tissue oxygenation & releases muscle tension
- Moisturizing, pH-balanced oil with anti-microbial properties

## Natural Aromas

Lavender • Ylang Ylang • Lemongrass

## Premium Purity

- Organic-certified, with 100% Plant-Based Ingredients
- Broad-spectrum CBD from sun-grown USA hemp
- CO2 extracted & lab-tested for purity
- No artificial additives or preservatives

## Features

- 100% lickable
- Organic, Vegan, gluten-free

## Usage

Enjoy any time you desire: before, during or after intimate adventures. Apply as much as you like for silky smooth glide and to enliven & rejuvenate tissues. Re-apply as desired throughout the session for extra glide, aroma, or stimulation. This skin-nourishing formula can double as a gentle daily moisturizer.

## Cautions

- Oil-based: Not for use with latex..
- Allergens: avoid use if you (or your partner) are allergic to any ingredients.
