WATER-BASED LUBRICANT glycerin & paraben free

There's no wrong way to use this condom, toy, and partner-safe water-based lube. It simulates natural vaginal lubrication without any glycerin or parabens and keeps things slippery for as long as you can last.

SILICONE LUBRICANT glycerin & paraben free

Expect slick and sexy sensations all night long with this silicone-based lube. It only takes a few drops to up the pleasure, whether you're playing solo, with toys, or a partner.

water + coconut HYBRID LUBRICANT glycerin & paraben free

This delicious lube is yours for the playing. Its lickable coconut flavor comes in a creamy non-drip formula that thins with use.
