

THE DTM

BY DOC JOHNSON[®]

AMERICANTM
MADE 

▶ **ULTRASKYNTM** *The Ultimate Feel*

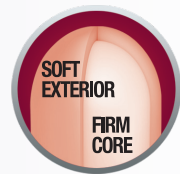

Handcrafted by Doc Johnson[®], ULTRASKYNTM is a patented formula that perfectly mimics the unique feel of real skin, even warming to body temperature when in use.

- **Warms to Body Temperature**
- **High Quality, Affordable Price**
- **Phthalate-Free, Body-Safe**
- **Proudly Made In America**

▶ **Dual Density**

Many of Doc Johnson[®]'s ULTRASKYNTM products, including all items in The DTM collection, are available in the brand's groundbreaking dual density design, featuring a pliable exterior layer and firmer core down the center.

- **Lifelike Look and Feel**
- **Plush, Soft Exterior for Comfortable Use**
- **Firm Core Delivers Stunning Realness**

▶ **A Winning Combination**

The DTM by Doc Johnson[®] unites the world's most lifelike material and the pleasure product industry's original dual density construction to create an iconic sensation.
