

# NEW PRODUCTS, NEW LOOK

## ENHANCE pleasure 4 pack 1313-20-CD

Keep the good times going with this pack of creams designed to keep you harder for longer. Included are four options. All three delay creams will decrease penis sensitivity for extended play.

- **Prolonging** delay cream includes ginseng, a traditional aphrodisiac.
- **Power+** delay cream is formulated with yohimbe, which provides increased circulation and blood flow.
- **Sta-Erect** is a delay cream formulated with pheromone to boost sexual desire.
- **Plump** is an enhancing gel that helps increase blood flow to the penis, which makes for a thicker, larger look and feel.

Travel-Size (0.35 oz) Tubes • Odorless, Non-Sticky Formulas • No Glycerin or Sugar • Proudly Made in America

## INTENSIFY pleasure 4 pack 1313-25-CD

Experience new and intense sensations with this pack of gels designed to up your pleasure.

- **Reverse** is a tingly, stimulating gel that works to tone and temporarily tighten vaginal tissue.
- **Spot On** has a silky formula that intensifies sensation in and around the nerve endings on the top wall of the vagina.
- **Excite** provides gentle tingles fluttering across your erogenous zones.
- **Numb** is perfect for backdoor players.
