

# ROCK SOLID™

QUALITY • COMFORT • PERFORMANCE

**DELAY CREAM** 3701-01-BX/BU  
**DELAY SPRAY** 3701-02-BX/BU

Stay harder for longer! Rock Solid Delay Cream and Rock Solid Delay Spray desensitizes and decreases penis sensitivity for long sessions, allowing for greater control and extended play!

**ENHANCING CREAM** 3701-03-BX/BU

Formulated to help you look your best and increase your satisfaction, Rock Solid Enhancing Cream helps increase blood flow to the penis, which makes for a thicker, fuller look and feel.

**THE TWIST** 3701-25-CD

Soft and stretchy, with internal nubs for added stimulation, The Twist is an ideal thick silicone cock ring. Its stretchiness allows it to be worn over the balls and shaft to delay ejaculations and prolong erections.

**THE DONUT** 3701-27-CD Clear  
3701-28-CD Black

The Donut is a classic shape C-Ring to help maintain those long-lasting erections you've always dreamed of. It's made from super stretchy TPE and it is completely phthalate-free and body-safe.

**THE BELT** 3701-26-CD

Fasten this cock ring right up! Adjustable for the perfect fit, this belt-like ring has five notches to make it wearable however tight you like it.
