RECHARGEABLE VIBRATING C-RING

Elevate Your Intimate Experiences

Specifically designed for direct clitoral contact, the OptiMALE™ Rechargeable Vibrating C-ring provides intense pleasure for both you and your partner. Distinctly angled motor creates direct contact throughout penetration, while 7 powerful settings provide pleasing vibration to intimate areas, enhancing pleasure play. The stretchable silicone ring provides comfort and a snug fit to boost sexual stamina, extend erection time and deliver thicker, more potent erections. Conveniently rechargeable, it's always ready when you are.
