

TRYST[™] v2

BENDABLE MULTI-EROGENOUS SILICONE MASSAGER

TAKE YOUR INTIMATE ADVENTURES TO THE NEXT LEVEL.

The TRYST line of rechargeable multi-use massagers, designed with all bodies in mind, is revolutionizing pleasure play. TRYST v2 features the same 3-motor design that made the original so popular, plus flexible silicone arms that bend and stay in position for a comfortable custom fit that targets every erogenous zone. A wireless remote control is included to make enjoyment of TRYST v2 interactive and effortless.
