The Body Extensions Hollow Strap-On system by Doc Johnson is a unisex collection of harnesses and hollow silicone attachments designed to stimulate the body and allow penetration play regardless of the type or function of the wearer's anatomy.

Available in vibrating and non-vibrating models, these high-quality multi-piece sets include elastic and silicone harnesses designed for maximum comfort and durability that fully disassemble for cleaning, and a variety of silicone attachments crafted to maximize the sexual pleasure and empowerment of every user. Each product in the Body Extensions collection includes detailed instructions for care and usage.

c Bulbed	Length: 6.8" (17.2 cm) / Width: 1.75" (4.5 cm)

Care and Maintenance

Disassemble harness completely by pressing down on attachment tabs to separate it from the silicone front piece, and undo the three snaps to remove the elastic harness. Clean each piece according to individual instructions...**Elastic WAISTBAND:** Hand wash with mild soap and warm water and lay flat to dry. **Silicone VIBRATING HARNESS:** Spray with Doc Johnson® Toy Cleaner or wash with mild soap and warm water. DO NOT SUBMERGE. **Silicone Attachment:** Spray with Doc Johnson® Toy Cleaner, wash with mild soap and warm water, boil for 10 minutes, or clean in top rack of dishwasher. Allow each piece to air-dry completely before storing separately from other toys in a cool, dry place. Use with water-based lubricant/glide. Doc Johnson® Toy Cleaner sold separately.
